

JENNIFER MOORE

PO Box 28643, Macon, GA 31221 | jperlmanmoore@gmail.com

OBJECTIVE

Check out the quick tips below to help you get started. To replace tip text with your own, just click it and start typing.

SKILLS & ABILITIES

I have learned front end technologies including, HTML, CSS, Bootstrap, and Materialize CSS. I have learned backend technologies including Javascript, JQuery, Firebase, and Node.js. I have learned how to make functional, easy to use, and beautifully designed applications. I can take other

EXPERIENCE

- Feb 2019 – Aug 2019 Student, *Georgia Tech Coding Bootcamp*
- Front end technologies including, HTML, CSS, Bootstrap, Materialize CSS.
 - Back end technologies including, Javascript, JQuery, Firebase, Node.js
 - I completed projects implementing the technologies I learned, worked in teams to complete projects, and learned about
- Dec 2010-present Attorney, *Law Office of Jennifer Moore*
- As an attorney I worked only in immigration law. I handled humanitarian and family based cases. One of my primary jobs as attorney was to listen carefully, understand the framework in which to present the clients' cases, and to help my clients tell their story to individuals without intimate knowledge of my clients' lives and circumstances could clearly understand.
